The small island called the North West - and to his heirs
and assigns forever - all my right title and interest claim
and demand both in law and equity in and to the following
premises in the County of Wood Ohio - and described as being
the 3rd small island being about 80 rods long and 80 rods wide with no timber
except a few willows. The island being in the Maumee River
and West of Gasp island or what is called Crane island
and a little above Clarke's Island being the same as
deeded to me by J. Proutice with all and singular &
Book M pp 467
